Jacket=Nyco Ecwcs?

Pant's? I've seen a few threads on /fa/ discussing his pants
https://warosu.org/fa/thread/S7817585#p7819948

But nobody has seen to identify the exact ones, that being said here are some similar black skinny jeans

[size=150]Vietnam Gas Mask (From the Takyon video) [/size]

[img]http://i.imgur.com/HyCzmc6.jpg[/img]

ebay has some ranging from $30-50 (but most of them aren't the exact same one as Ride's) see my images below

http://www.ebay.com/sch/i.html?_trksid=p2050601.m570.l1313&_nkw=vietnam+gas+mask&_sacat=0&_from=R40

I went to a flea market and found the exact same one as Ride's for $25

[img]http://i.imgur.com/TXq3Dja.jpg[/img]

The man that sold it to me said that there are 2 different versions: The one with the the tubes (used for drinking water from a canteen) and the one without the tubes (see: most of the ones on ebay)

Mine came with 2 black things to cover up the side holes, but they are removable

[img]http://i.imgur.com/FmpMdFC.jpg[/img]

Also note that most of the ones on ebay have

"US

ML"

on the forehead

were as the one I have (and Ride's) say

"US

S "
